RE: Trans Fat Statement

We are proud to announce that all foodservice items manufactured at Grecian Delight Foods® Inc. contain 0g trans fats. We have always been committed to providing nutritious food and quality products that meet and surpass our customer's expectations.

Grecian Delight Foods has been in compliance with the FDA's mandate of providing trans fat data as part of the nutritional information as of the January 1st 2006 mandate per FDA regulation any product that contains 0.5g or less trans fat should be expressed as "0g".

Although not all of our packaging is required to express the nutrition facts panel you can be assured that the product is trans fat free. If you have any questions about any Grecian Delight Foods products, please visit our website www.greciandelight.com or contact our customer care department at 800-621-4387 and they will be more than happy to provide you with the information.
